Case No. 2013-00349

ORDER OF THE REFEREE

FILED
COURT OF CLAIMS
OF OHIO

On April 7, 2014, defendant/counter plaintiff, Ohio School Facilities Commission (OSFC), filed a combined motion to quash subpoenas issued to two of its former executive directors by plaintiff/counter defendant, TransAmerica Building Company, Inc. (TransAmerica), and a motion for a protective order to prevent the former executive directors from being deposed. TransAmerica filed a response on April 10, 2014.

OSFC argues that the two former executive directors were not involved in analyzing or making decisions with regard to TransAmerica's claim. In its response, TransAmerica argues that the two former executive directors were involved with the day-to-day operations of the project and offers several exhibits in support of its response. In addition, OSFC has not supported its motion. See Civ.R. 26(C); Civ.R. 45(C)(3) and (4).

Upon review, the motion is DENIED and the former executive directors shall make themselves available for depositions at a time convenient to all parties.
