**IN THE COURT OF CLAIMS  
FOR THE STATE OF OHIO**

WILLIAM ANDREW CAMPBELL  
Plaintiff

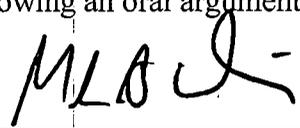

CASE NO. 2013-00502  
Judge Patrick M. McGrath  
Mag. Anderson M. Renick

vs.

**MOTION FOR ORAL ARGUMENT**

THE OHIO DEPARTMENT OF  
NATURAL RESOURCES  
Defendant

Now comes Plaintiff, by and through counsel, who respectfully moves this court to schedule an oral argument with regard to the Motion for Summary Judgment filed by the Defendant, ODNR. It is the position of the Plaintiff that the issues in this case and the law are sufficiently complex so that an oral argument may benefit the court with regard to understanding each parties position, as well as reviewing the current state of the law in this area. Plaintiff is aware that Rule 4(D) of the Rules of Court of Claims provides for this court to decide motions for summary judgment without benefit of an oral hearing. Plaintiff will note that Local Rule 57.03 of the Franklin County Court of Common Pleas similarly restricts oral argument on summary judgment. The Franklin County rule, however, provides that the trial judge may grant oral argument if the trial judge deems proper. Plaintiff respectfully requests this court to consider allowing an oral argument in this matter.
