Case No. 2013-00715

v. :

WRIGHT STATE UNIVERSITY :

Defendant :

MOTION FOR ORDER COMPELLING DISCOVERY

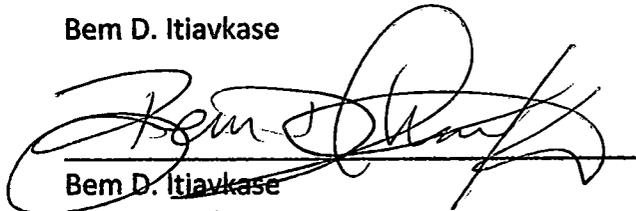

Now comes plaintiff, Bem D. Itiavkase, and respectfully requests that the court order the defendants to supply documents requested by plaintiff via email interactions beginning July 23rd, 2014. Council of defendant replied that he was handing over control to another lawyer, which is perfectly fine, but no documents have yet to be received specifically regarding direct responses to and from the President of the university, as well as emails to and from Mr. Eli Faes, regarding this case. I have emailed both lawyers representing the Defendant and have not had a response.
