JOINT MOTION FOR CONTINUANCE OF DAMAGE HEARING

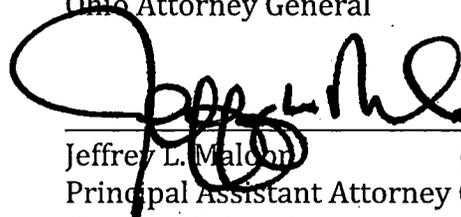

For the reasons that follow, the parties respectfully move this Honorable Court for a continuance of the upcoming damage hearing.

This case is schedule to proceed with a hearing on damages on August 11, 2015. While the parties are prepared to go forward, they would like additional time to attempt to resolve the case. Dr. Barth has automobile liability coverage through Nationwide Insurance Company and each party has made a demand on the carrier to participate in settlement discussions. A representative of the carrier indicated as recently as yesterday that the company needs additional time to evaluate the matter before responding formally.

The parties apologize to the Court for this last minute request.

Respectfully submitted,

MICHAEL DeWINE
Ohio Attorney General
