Case No. 2014-00651

Plaintiff

Judge Patrick M. McGrath

v.

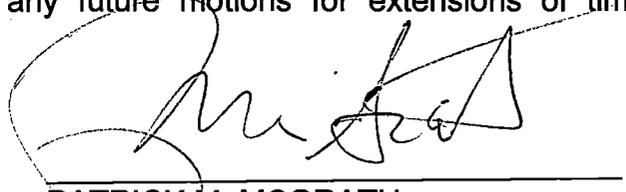

ENTRY

OHIO LOTTERY COMMISSION

Defendant.

On August 28, 2015, the court granted non-party Jai Chabria's (Chabria) motion to quash the subpoena for deposition served on him by plaintiff. On August 28, 2015, the court received a faxed copy of plaintiff's motion to extend discovery as to Chabria and request for an opportunity to respond to the motion to quash by August 31, 2015. An original copy of plaintiff's motion was received by the court on August 31, 2015, but plaintiff did not file his response as indicated. On September 10, 2015, defendant filed a memorandum contra plaintiff's motion to extend discovery stating that the motion is moot because the court already granted its motion to quash. Upon review, the court agrees with defendant and plaintiff's motion to extend discovery is DENIED.

On a separate matter, plaintiff filed a motion for a fourteen day extension of time to respond to defendant's May 29, 2015 motion for summary judgment on September 17, 2015. Plaintiff states that defendant does not oppose the motion. Upon review, the motion is GRANTED such that plaintiff shall file a response to the motion for summary judgment on or before *October 1, 2015*. However, the court notes that this is plaintiff's third motion for an extension to file a response to the motion for summary judgment, and the court will not grant any future motions for extensions of time regarding the same.
